

Chris Carter-Jones
Executive Director, Customer – QLD

As CyberCX's Executive Director, Customer, Chris is accountable for leading the Customer Team in Queensland.

Chris was a Partner at YellIT, a CyberCX group company, and has been in the IT industry for over 12 years. During this time Chris developed a strong customer loyalty base which has been borne out of a commitment to meet and exceed customer expectations.

Prior to this Chris worked in the UAE, UK and Europe where he achieved his Cisco CCIE certifications.

Chris is a multi-talented individual with exceptional communication skills and a solid technical experience which is invaluable to any organisation. Chris is passionate about information security and is a proven leader in the sales environment.
