

# Torro Consulting Services

Technology, Operations, Revenue, Retention, Outcomes

**Michael Bull**  
**Principal**

Mike Bull is an executive who has had over twenty years' experience in senior roles in technology, construction, manufacturing, and government.

Previously Mike was the Country Manager of Fujitsu New Zealand. In this role he has responsibility for all aspects of Fujitsu's business in New Zealand. More recently he was the Director of Cloud and Managed Services for Interactive, later moving to be Cloud and Managed Services Chief Customer Officer. In these roles he had responsibility for the practices of sales, pre-sales project management, cyber and both the public, and private cloud.

In 2021 Mike established his own consulting company Torro Consulting Services helping organisations transform their businesses through people, process, and technology.
